fr abd el mesih el habashi is one of the twentieth century s great ascetics who lived in the egyptian desert his life is a witness to the

continuity of the desert spirituality of the 4th century he was man who was not concerned about anything or for anyone his only concern was for the one his eyes were directed towards eternity he was content with enough food sufficient to keep him alive and enough clothing to cover his nakedness he chose god as his way as well as his means he unintentionally attracted us to him through sharing and exchanging the many tales that thousands of people have experienced in mixed feelings of wonder joy and deep contemplation the multitude of people who saw him and dealt with him have all attested to that lion who has the heart of a child he had a clear vision and a way of life he did not act haphazardly but his behavior was a result of deep spiritual understanding fr abd el mesih s character combines the weakness of the human nature and the strength of the spiritual personality he was not of a special breed of people like anyone he was agitated tasted pain and suffered trials he left all these experiences for us as an example in persevering in trials he lived an austere ascetic life and experienced many hardships the devil waged many wars against him but he escaped them all all the information in this book are documented in either voice recordings or written accounts of metropolitans bishops priests monks or lay people who gratefully shared their stories and photos that they had for this great father

this book is intriguing and will incite curiosity in the reader to explore the myths and facts as they pertain to this holy relic where is the ark of the covenant and why has it been such a controversial icon for generations who was in possession of the ark of the covenant and what impact has it had on nations this ark for so many represented the presence purpose and power of god were the possessors of the ark favored by god if so how do we reconcile this with the sufferings that the ethiopians have had to endure for they say they have the ark and continue to nurture and preserve it in the mary of zion sanctuary in axum these questions have been thoroughly addressed by the author and will hopefully leave the reader with a newfound respect for the ethiopian jews

the beloved and i containing a verse translation with sonnet commentaries on the biblical books from isaiah to malachi including deutero canonical additions

god moves in a mysterious way his wonders to perform wrote poet william cowper and according to the bible god s wonders never cease god works in and through us his image bearers as he carries out his perfect will they say that truth is stranger than fiction and in this book of true stories the reader will definitely discover some strange things but they ll also find others which are encouraging helpful motivating inspirational challenging and thought provoking and these true stories are meant to be informative expanding readers appreciation of the cultural richness this world affords and the people who have contributed to its development this the author sets out to do in an entertaining manner which invites readers to anticipate the surprise ending concluding each story because there s always more to every

story

nearly 25 centuries ago the angel gabriel foretold the time christ would transfer his ministry from the holy place to the most holy place of the heavenly sanctuary in preparation for the time when divine intercession for man s salvation would be finished christ has revealed his plans about the reward of the righteous and the final disposition of evildoers inside the pages of the bible the most high has assured us in his word that the root and branches of sin will be consumed into smoke and ashes evil shall not rise the second time the sanctuary is mentioned in both the beginning and end of the bible between these entries are some of the most fascinating and inspiring themes that can occupy the human mind is revealed the study of the sanctuary may properly engage the interest of the one who desires to understand the purposes of the creator in the salvation of the rigorous and the final disposition of evil

the world of the bahá í faith is an outstanding guide to the bahá í faith and its culture in all its geographical and historical diversity written by a distinguished team of international contributors this volume explores the origin of this religion and contains substantial thematic articles on the living experience of the global bahá í community the volume is organised into six distinct sections leadership and authoritative texts theology humanity society the contemporary bahá í community history and spread of the bahá í community these sections cover such themes as the afterlife artistic expression bahá í institutions devotional life diversity economics education the environment and sustainability family life gender human nature interfaith relations international governance law marriage peace persecution philosophy race science and religion scripture spirituality and work the development of the bahá í faith is outlined in ten regional articles this volume provides an authoritative and accessible source of information on all topics important to the bahá í faith the world of the bahá í faith will be essential reading to students and scholars studying world religions and comparative religion it will also be of interest to those in related fields such as sociology political science anthropology and ethics

across black america during the golden age of aviation john c robinson was widely acclaimed as the long awaited black lindbergh robinson s fame which rivaled that of joe louis and jesse owens came primarily from his wartime role as the commander of the imperial ethiopian air force after italy invaded ethiopia in 1935 as the only african american who served during the war s entirety the mississippi born robinson garnered widespread recognition sparking an interest in aviation for young black men and women known as the brown condor of ethiopia he provided a symbolic moral example to an entire generation of african americans while white america remained isolationist robinson fought on his own initiative against the march of fascism to protect africa s only independent black nation robinson s wartime role in ethiopia made him america s foremost black aviator robinson made other important contributions that predated the italo ethiopian

war after graduating from tuskegee institute robinson led the way in breaking racial barriers in chicago becoming the first black student and teacher at one of the most prestigious aeronautical schools in the united states the curtiss wright aeronautical school in may 1934 robinson first planted the seed for the establishment of an aviation school at tuskegee institute while robinson s involvement with tuskegee was only a small part of his overall contribution to opening the door for blacks in aviation the success of the tuskegee airmen the first african american military aviators in the u s armed forces is one of the most recognized achievements in twentieth century african american history

in this richly illustrated account of black white contacts from the pharaohs to the caesars frank snowden demonstrates that the ancients did not discriminate against blacks because of their color for three thousand years mediterranean whites intermittently came in contact with african blacks in commerce and war and left a record of these encounters in art and in written documents the blacks most commonly known as kushites ethiopians or nubians were redoubtable warriors and commanded the respect of their white adversaries the overall view of blacks was highly favorable in science philosophy and religion color was not the basis of theories concerning inferior peoples and early christianity saw in the black man a dramatic symbol of its catholic mission this book sheds light on the reasons for the absence in antiquity of virulent color prejudice and for the difference in attitudes of whites toward blacks in ancient and modern societies

a study into the role played by food in the italian empire s occupation of ethiopia exploring the workings of empire in the circulation of bodies foodways colonialism and resistance as well as the decolonizing practices of indigenous foods
